DID YOU KNOW?

There are nearly 1,000 historic dance halls in Texas, primarily in Central Texas, where German and Czech immigrants first housed. Historic dance halls in Texas, primarily in Central Texas, where German and Czech immigrants first housed.

The music being played at these halls had an impact on the evolution of what is now known as Texas music. From Western Swing to Conjunto, places like Gruene Hall in New Braunfels hosted traveling bands that brought their distinctive sounds across the entire state.
